MEDIA INTERVIEWS

Interviewed by Jim Guddes of WGN-Radio and featured in two of four 90-second spots ran during September 2007. The focus of interview was on the needs of the families of returning OEF/OIF veterans and included background statistics, information about stigma, and importance of including family members whenever possible as first-line responders.

Interviewed by Gabriel Spitzer, reporter and host of Chicago Public Radio show 848. Show aired on August 9, 2007. Can listen to/download it online, at chicagopublicradio.org

Research-In-Progress

Predictors of Help Seeking and Adjustment in Returning OEF/OIF Veterans. (Principal-Investigator, IRB Approval, December 2005)
